

**Breastfeeding accommodations  
increase employee  
productivity, job satisfaction  
and work attendance.**

### **Business Case for Breastfeeding**

The Business Case for Breastfeeding is a national initiative of the U.S. Department of Health and Human Services, Health Resources and Services Administration's Maternal and Child Health Bureau, and the HHS Office on Women's Health. Michigan Breastfeeding Network is a partner in this initiative.

adapted from [Kansas Business Case for Breastfeeding](#)

This project is funded through State Public Health Actions to Prevent & Control Diabetes, Heart Disease, Obesity and Associated Risk Factors & Promote School Health (CDC-RFA-DP13-1305)

## Does your business accommodate employees according to “Break Time for Nursing Mothers” federal requirements?

### *Does your business:*

- Provide a private place, other than a bathroom, to be used by an employee to express breast milk?
- Provide reasonable break time for employees to express breast milk?

### *To help your business remain in compliance:*

- Have a written policy supporting breastfeeding employees
- Educate all staff about the breastfeeding support policy
