

## Momnibus Act of 2021 Advocacy Sample Script

Hi **Legislator Name**,

My name is **First Name** and I am a constituent of yours. I am reaching out to ask you to support the Momnibus Act of 2021 that was introduced by the Black Maternal Health Caucus on February 8, 2021. I am a breastfeeding supporter in our community and know just how important this legislation will be for the families I serve. Breastfeeding saves lives, especially during emergencies. The Momnibus Act of 2021 is a key step to ensure that families, especially Black families, receive the support they need to survive and thrive.

Thank you,  
**First Name** (my zip code is: **XXXXX**)
