

**Pregnant Workers Fairness Act
Advocacy Sample Script**

Hi **Senator Name**,

My name is **First Name**, and I live in **State**. I am reaching out to ask you to support the Pregnant Workers Fairness Act that was passed by the House of Representatives on Friday May 14, 2021. I am a breastfeeding supporter in our community and know just how important this legislation will be for the families I serve. The Pregnant Workers Fairness Act is common sense legislation that makes it illegal to deny pregnant workers employment opportunities, retaliate against pregnant workers for requesting reasonable accommodations, and to force pregnant workers to take paid or unpaid leave if another reasonable accommodation is available. I urge you to support our pregnant families and pass this legislation.

Thank you,
First Name (my zip code is: **XXXXX**)
