

CREATING NEW WAYS TO BUILD COMMUNITY

MEETING FAMILIES WHERE THEY ARE TO MEET ALL THE NEEDS OF FAMILIES

“In the community we are working, it feels like we are fixing what was broken, before we had a chance to touch it when it wasn’t broken. It’s so frustrating.”

- Bianca Nash-Miot, CLC, Local Breastfeeding Supporter

building differently

"How do we creatively create new ways to gather that meet families where they are to meet all the needs of families?"

- Jennifer Day, IBCLC, MIBFN Community Building Project Manager

— ” —

We must:

center Black, Indigenous, and other marginalized folx

use creativity in how funding is utilized

think innovatively about how we convene and gather

return to our nature as women, mothers, families, and communities to emerge from this pandemic
