

Workplace

- All personnel are trained on why and how to support breastfeeding/bodyfeeding and milk expression and on breastfeeding accommodations available to employees
- Accommodations are provided for virtual/remote work situation whenever possible
- When virtual/remote work situation is not possible,
 - Employees are provided adequate time and space to express human milk regardless of legal status and employment classification without penalty
 - Employees have access to baby for direct breastfeeding/bodyfeeding in the workplace whenever possible
 - Comprehensive paid family leave legislation at the national level is adopted
- Universal basic income is guaranteed for all
- Federal minimum wage is guaranteed for all workers
- Two years of paid family leave is provided to both the breastfeeding/bodyfeeding and non breastfeeding/bodyfeeding parent

Tools to support these priorities are available for download at www.mibreastfeeding.org/tools.
