

BIRTH AND BREASTFEEDING SUPPORTERS ARE PUSHING AHEAD FOR SYSTEMIC CHANGE

ADVOCATING TO HEALTH SYSTEMS

Advocating for use of human milk of COVID-positive lactating parents in the NICU

EDUCATING PROVIDERS

Educating providers on the normalization of infants waking to feed throughout the night

CONTACTING LEGISLATORS

Contacting legislators for passage of breastfeeding-supportive legislation, including PUMP Act and PWFA

PUMP FOR NURSING MOTHERS ACT

Passed in the House of Representatives (HR 3110). Passed from Senate Committee unanimously (S. 1658). Awaiting full Senate vote.

PREGNANT WORKERS FAIRNESS ACT

Introduced in the 116th Congress and has passed the House. It was introduced in the Senate, referred to the HELP committee, passed with strong bipartisan support out of committee, and is waiting for a vote by the full Senate.
