

RESETTING EXPECTATIONS AND ACCOUNTABILITIES FOR LOCAL BREASTFEEDING SUPPORTER MEETINGS

MIBFN HAS AGREED TO BE ACCOUNTABLE TO:

Be transparent about why Local Breastfeeding Supporter Meetings exist

Revisit the group norms, rewrite them to better reflect the goals of these meetings, and share with the group for review and input

Reserve the last 10 minutes of each meeting for reflection on participants' comfort in sharing and experience in the space

Share periodic requests for input and reflections on the meetings from local breastfeeding supporters

"I FIND THAT IT IS IN THE MOMENTS OF DIFFICULTY THAT TRUE BREAKTHROUGHS HAPPEN IN THE WORK. I'M GRATEFUL TO ALL OF THE PARTNERS THAT HAVE SHOWN ME THE WAY TO KEEP GOING IN THE FACE OF MY OWN STUMBLING."

-Vicki Wood, CLC, CLS, MIBFN Fund Development Manager
