

# GREAT LAKES BREASTFEEDING WEBINAR

## April 2021 Comprehensive Webinar Report

### DISMANTLING RACISM AND IMPLICIT BIAS IN BREASTFEEDING AND HUMAN LACTATION BY TANEFER CAMARA, MS-HCA, IBCLC

Available: April 20, 2021 - April 20, 2022

### CONTINUING EDUCATION

### WHAT PEOPLE ARE SAYING

"I love the lived experiences portion, I feel that they help people better relate to materials taught."

"I think every person who works in health care should have to watch this."

"This was an informational presentation and helped me to think deeply about systemic racism and its impact on lactation for Black women."
