

GREAT LAKES BREASTFEEDING WEBINAR

June 2022-2023 Webinar Report

LACTATION AND GRIEF AFTER PERINATAL, NEONATAL, OR INFANT LOSS

BY ANESHA STANLEY, CD, BD, PCD, CCE

Available June 21, 2022 through June 20, 2023

CONTINUING EDUCATION

WHAT PEOPLE ARE SAYING

"This webinar showed me the importance of understanding different types of loss and grief and how each birthing family manages their milk supply process. It's important to provide compassionate non-biased support and options for families."

"I learned so much from this webinar, but what really stood out to me was the overall impact human milk expression has on a grieving person's overall health."
