

Join Us As A Vendor At Our Breastfeeding Walks!

Support the Breastfeeding Journey

The Barry-Eaton District Health Department invites you to attend our Breastfeeding Walks to support breastfeeding journeys and celebrate National Breastfeeding Month!

These events provide a space for women, families, and support systems to gather and celebrate the breastfeeding journey. Vendors can attend to share resources to support breastfeeding and improve maternal and child health in our community. Register to be a vendor for one or both events!

Register below or reach out to Beth Erin (BErin@Bedhd.org) for additional information.
