

# 2024 MIBFN SUPPORTS FOR ORGANIZATIONS

At MIBFN, our mission is to advocate, educate, and community-build alongside families and organizations for the advancement of an equitable, just, and breastfeeding-supportive culture. To that end, we collaborate with organizations and individuals to bring about actionable, system-level changes that are centered on the diverse experiences of Michigan families with young children.

## CONSULTING

**\$100/HR**

*determined in solidarity*

**We consult with breastfeeding equity and justice programs and organizations, which includes, but is not limited to, support with:**

- **Community-Rooted Development:** Establishing and re-forming coalitions and/or small businesses, creating equity- and justice-centered non-profits, and developing community-rooted programs, events, and educational initiatives.
- **Advocacy and Leadership:** Coaching organizational leaders, implementing advocacy programs and strategies, and helping establish ground rules wherein white folx can authentically and courageously serve in justice spaces, including via MIBFN meeting participation or facilitation.
- **Communications and Marketing:** Providing branding, website management, social media design, and providing presentation assistance to enhance organizational impact and community engagement.

## CONTINUING EDUCATION APPLICATIONS

**\$100/HR**

*determined in solidarity + reimbursement for fees paid to credentialing orgs*

**We support organizations with ensuring that breastfeeding equity and justice centered educational experiences are approved for a variety of continuing education options, including physician CMEs, nurse contact hours, social work CEUs, IBLCE CERPs, community health worker CEUs, and certified health education specialist CECHs.**

## PRESENTATIONS

**\$1000/PRESENTATION HR**

*+ travel, determined in solidarity*

**MIBFN staff members present at local, regional, statewide, and national conferences, whether in-person or virtually. We have experience and expertise in a variety of topics related to human milk feeding.**

## FISCAL SPONSORSHIP

**10% OF TOTAL AWARD**

*determined in solidarity*

**MIBFN supports geographic and identity-based breastfeeding equity and justice organizations through fiscal sponsorship of grant proposals.**

## PROPOSAL WRITING

**10% OF TOTAL AWARD**

*determined in solidarity*

**MIBFN supports with grant proposals and ongoing fund development in solidarity with geographic and identity-based breastfeeding equity and justice organizations.**
